

## 27470 Brandon Cir Steamboat Springs, Colorado 80487

**\$ 879,000**

**MLS# 7679240**

**5 Bedrooms . 2 Bathrooms . 3,510 Sqft**

This custom 5 bedroom home overlooks the Steamboat Golf Course, the river and ranch land beyond creating an idyllic setting from the deck. Beautifully finished throughout with a main level master suite, quick step durable flooring on the main level, gorgeous kitchen with stainless appliances and granite countertops and lots of storage for all your toys. The master bedroom suite includes a door out to the deck, double vanity, separate jetted tub and shower with lovely travertine tiles. In the kitchen you will enjoy the five burner gas range, large sink and custom cabinetry. This is one of the best lots in the subdivision overlooking the river, golf and valley. Efficient cove heating system, Geld Wen Premium Windows, LP Smart Siding and large garage doors with tall ceilings for extra storage as well as a large crawl space are just a few of the extras. This home was completed in 2017 and would be a home anyone would be proud to own. Too many details to provide here, call for a tour today.
