4 Bedrooms . 3 Bathrooms . 4,388 Sqft

PRICED AT CURRENT APPRAISED VALUE Spacious home perched above the 9th green in Aspen Glen with breathtaking views of Mount Sopris and the Roaring Fork River that are enjoyed from the terraces, backyard and spa. This beautiful home has 4 bedrooms each with their own large bathroom. Entertaining is made easy with 2 large living rooms, extra kitchen and stunning backyard with gorgeous water feature. Living in an exterior maintenance free section allows you to enjoy all the amenities of Aspen Glen including the 18-hole Jack Nicklaus/Nicklaus II Championship Course and 4.5 miles of Gold Medal fly-fishing, tennis, state-of-the-art fitness center, and club which is just steps away. All of this nestled in the scenic Roaring Fork Valley where seeing elk, deer and bald eagles are an everyday experience
