For Sale or Lease! Just right! This commercial space is just the right size - whether you run a small business or have multiple locations - it accommodates all your needs! Private office space with separate entry and bathroom allows for the office to operate effectively while work is going on in the warehouse space. An overhead door, 3 phase electric, bathroom and tall ceilings all add to the functionality of the building. Private asphalt parking. Don't let your business miss out on the functionality and convenient location. Call for lease terms.
