You will love entertaining family and friends in this three plus loft, 4 bath luxury condo steps to the Steamboat Ski Area. The Olympian floorplan enjoys three large bedrooms, vaulted ceilings, three cozy fireplaces in the living room, upper master bedroom and lower junior suite, sweeping Yampa Valley Views from every window and room to sleep 12. The Steamboat Grand offers all the amenities you need for a world class vacation. From the moment you enter the spectacular lobby with a grand floor to ceiling stone fireplace you can leave your worries at the door. The valet will take your bags, concierge can book your dinner and adventure reservations and you can just grab your skis and hit the slopes. With the new ski valet steps to the Gondola and owner's club in Gondola Square, skiing and boarding have never been easier. Soak in the hot tubs or swim in the year round pool before a steam or sauna and then do some stretching in the health club. Too many details to list here, call us today.
