

1340 High Adobe Way, CO 81523

\$ 374,900

3 Bedrooms

Amazing, off grid custom earth ship home, modeled after the earthships in Taos New Mexico on 35 acres of peacefullness. Every nook and cranny has something unique and interesting. The home features 2 kiva fireplaces, active and passive solar, custom cabinets, tile and stained concrete floors, beautifully unique walk-in-shower, a detached garage/shop, or studio with an indoor growing area, for vegetables or what ever someone with a green thumb wants to grow. There are also indoor planters for your own veggies and etc. Lots of artistic accents done with colored glass. The property is minutes from downtown Grand Junction. Enjoy privacy, amazing sunrises and sunsets, and lots of wildlife on you own 35 acres. 2 of the bedrooms have their own entrances.
