Rarely on the market, Kutuk Condos offer the best in walk to ski access and close proximity to the Steamboat Base Area shops, restaurants, and free downtown transit. This top floor unit features vaulted ceilings and mountain views from the covered balcony. With room for the whole family, the bedroom configuration includes a master with an ensuite bath, an additional guest bedroom, and a loft on the top level. The unit is being offered fully furnished and turn-key ready with an impressive rental history. The massive common area deck features a fire pit, patio tables, bbq grills, and hot tubs perfect for entertaining and relaxing after a day spent enjoying all the recreation Steamboat has to offer. During the warmer months, dip your toes in Burgess Creek which meanders in front of this building.

Amenities at Kutuk include garage parking, laundry facilities, ski and boot storage, a clubhouse, and on-site check in with shuttle service. To view the inside of this home via virtual tour, copy and paste this link in your browser: <https://my.matterport.com/show/?...>
