3 Bedrooms . 2 Bathrooms . 3,002 Sqft

Unique log home in Basalt, a quick walk from the elementary, middle school and downtown. Built 65 years ago as "The Hunting Lodge of Basalt" and now sits on almost half an acre. The home has been remodeled to become a family home at 3002 SF with 3 BR/2.5 BA. It has a fabulous stone fireplace, updated kitchen, radiant floor heat and new boiler. Enjoy this beautifully landscaped property adjacent to open space, and has permaculture gardens with orchard. Spacious patios front and back with Hot Tub/BBQ. In addition, it has a heated garage with tool room, solar panels and art studio/workshop area with ample power.
