

1175 Bangtail Way Unit 4110 Steamboat Springs, Colorado 80487

\$ 449,000

MLS# 3412190

769 Sqft

Trailhead Lodge 4110 offers the best in mountain contemporary living. Located steps to the Wildhorse Gondola with one of the best amenity packages including a large pool, 3 hot tubs, fitness center, game room, outdoor fire-pit, Bar-B-Que area, central air-conditioning, deluxe boot-drying facility and ski storage, and winter shuttle services to take guests to shopping, dining and other area activities. This one bedroom is over 100 square feet larger than most of the other one bedrooms in the complex with 769SF. Gorgeous appointments include granite counters, stainless appliances, knotty alder cabinets, wood floors, 9' ceilings, and air conditioning. Cozy up to the floor-to-ceiling natural ledge-stone gas fireplace. Master bath has double sinks, separate shower/tub and beautiful natural stone flooring. This condo is handicap accessible as well including elevator access from the lobby and parking garage. Relish the views of Emerald Mountain and the valley from your 4th floor balcony. Owner's storage closets both in the condo and down by the garage are perfect for all your gear...
