If you're looking for stunning panoramic views close to outdoor recreation and only 21 miles to Steamboat Springs, this is your home. Located in the South Shore neighborhood of Stagecoach this expansive home features 5+ bedrooms, 2 living spaces, and a large front deck to take in spectacular views and sunsets over Stagecoach Reservoir. Enjoy an open main living and kitchen area with endless windows to take in the gorgeous views, bamboo flooring, new granite counters, stainless appliances and a desirable wood burning stove. In 2016, the Sellers added an expansive master bedroom with ensuite bath and a large office. The views from this master bedroom are second to none. New carpet was added to the lower living area, den and stairs in 2020. This green home features a lower carbon footprint with photovoltaic panels and a 1600w wind generator to power your home.

All of this is just minutes to Stagecoach Reservoir for boating, paddle boarding, kayaking, hiking, biking, fishing, cross country skiing and minutes to Oak Creek for...
