Welcome home to Downtown Glenwood Springs! This Victorian Gem boasts everything you could ask for. "The Kaiser House" includes four stories and a penthouse suite, a fully finished basement, (complete with offices and conference room), balconies, garage, courtyard, and storage. Originally a Bed and Breakfast, the home was impeccably remodeled in 1989. Built in 1902 the remodel included new windows, interior walls, insulation, electrical, heating & plumbing systems, and a new foundation. Just two blocks south of the vibrant downtown, and a block off Grand Ave. With a large front porch to relax on, you will want to call this place yours. Call for your showing today!
