Welcome to Chadwick Estates. Rarely available, uncompromising luxury just blocks from the Steamboat Ski Area. This quintessential escape to the mountains home with a floor plan that works for a quiet peaceful getaway or entertaining family, friends and colleagues. From the moment you enter this architecturally appealing home you are greeted with floor to ceiling windows, exposed wood beams, stone fireplace and vaulted ceilings with dramatic angles. An expansive 3 story design with a great room, lower level family room/game area and an upper bonus space that can be used as an office. Stunning south valley views from every window with coveted outdoor living spaces including an expansive exterior deck and lower patio. Sip wine as the sun sets, take a relaxing soak in the built in hot tub, roast s'mores by the fire pit or pop out the back gate to walk your dog. Richly styled and generously appointed including granite, travertine, knotty alder, custom tile and hardwood floors. Gourmet equipped kitchen featuring wolf and subzero appliances, elegant...
