4 Bedrooms . 4 Bathrooms . 3,443 Sqft

The ideal mountain retreat. Enjoy your home in the mountains from this freshly decorated, modern mountain townhome with vaulted ceilings, spacious deck and private outdoor hot tub. Sunrise at Snowflake is located just 1/2 mile from the Steamboat base area gondola and is on the free bus route, so you're in the perfect spot for quick and easy access to the slopes. The great room is spacious enough for two seating areas where you can cozy up fireside or gather on a sprawling sectional couch by a large flat screen TV with sound bar. Enjoy the views of the mountains from the floor to ceiling windows. Step out to the deck for a soak in the hot tub as you gaze at the stars, watch the moon rise over Mt. Werner or enjoy the Alpenglow. The chef in you will enjoy cooking in the spacious kitchen with stainless appliances, granite counters, custom cabinets and bar seating. Inviting dining area is great for serving up a good meal. Luxurious master suite with fireside seating and a private bath with soaking tub, separate shower and double sinks. All the bedrooms...
