

37750 County Road 179 Steamboat Springs, Colorado 80487

\$ 1,195,000

MLS# 6472923

4 Bedrooms . 3 Bathrooms . 2,916 Sqft

Find inspiration and solace on this gorgeous 6.06 acres with a charming 4+ bedroom, 3.5 bath home & oversized two car garage all an easy 15 minute drive from downtown Steamboat and 25 minutes from the Steamboat Ski Area. This home offers a great combination of privacy & proximity. Set in scenic Saddle Mountain Ranchettes with panoramic views all around. The wrap around deck provides the perfect setting for barbeques, your morning coffee or afternoon sunsets with views to Sleeping Giant. Great yard with mature cottonwood and blossoming crabapple trees, gorgeous lilac bushes and garden beds. It's the perfect place for dogs and kids to play and you can find sun or shade on the many decks all day. Perfect for horses or mini farm. The property maintains agricultural status with hay production. The upper primary bedroom has vaulted wood ceilings and private bath. The kitchen includes stainless appliances and granite countertops with easy access to the deck...
