\$ 565,000

MLS# 172451

4 Bedrooms . 3 Bathrooms . 2,730 Sqft

The architectural design of this beautiful home sets it apart. The vaulted ceilings, arched entrances and double staircase ensure this is not the standard vanilla builder home. With 4 bedrooms on the upper level, an office on the main level and an additional den / rec room on the lower level you have plenty of spaces to spread out. The fully fenced yard mixes deck, lawn, xeriscaping and storage shed. High speed internet.
