5 Bedrooms . 3 Bathrooms . 3,662 Sqft

Inviting and custom built Silver Spur home located in the most premier lot in the neighborhood. This beautifully finished 5 bedroom, 3 1/2 bath home is nestled on a quiet cul-de-sac and borders the Silver Spur open space and ranch land. The open floor plan on the main level is ideal with hardwood floors, spacious living area with a rock surround gas fireplace, granite countertops in the kitchen, a home office, powder room, large laundry room, and fully equipped mud room off the 3 car tandem garage. The second floor features a master suite with views of the Steamboat Ski Area, a large bathroom and walk in closet, and two additional bedrooms and full bath. Top on the list of most homeowners is 'additional living space' which you will find in the fully finished walk out lower level with a family room including a pool table and wet bar, 2 bedrooms and a full bath. The outdoor space at this home checks all the boxes with a covered front porch, spacious deck, walk out covered patio, fenced back...
